

Facts About Me:

- I am *important*.
- My name is Charlemagne.
- At school (Which I don't need to go to, as I am already a genius, but I do because I enjoy feeling superior) some people tried to call me 'Charlie' but thankfully I thought of telling the teacher, and he put a stop to it.
- I hate children.
- My mother thought that ONE MAGNIFICENTLY BEAUTIFUL child wasn't enough, and now I have a SISTER. Thank you very much, just what I wanted.
- That last part was sarcastic.
- Nanny is telling me it is time for supper, so I must go.
