

It was a rainy day just like any other and the fateful encounter was inevitable. □□□↓□□□□↘, or Fred, was walking to work. Fred was a basil leaf. He arrived at work with a strange feeling that he was being watched, so he went home but there it was again, that feeling. Outside in the rain there was a shadowy figure staring at him, but when he looked again, it was gone! He was so scared he hid in his tub. The door opened, but no one stood there, behind him, a giant slug holding paper said, "You are being AUDITED!!!!".
