

Sushi Restaurant
Sorsha W.

The restaurant's cat glanced at the fish on the chopping block and meowed. The chef said, "You can't have any! This is for sushi!"

The cat looked at the fish in the tank.

The chef shouted, "That's for sushi too!"

The door rattled. A kid came in. "I'd like that fish in the tank."

The chef reached in for the fish.

The kid said, "I want the fish alive!"

The chef replied, "This is not a pet shop. It's a sushi restaurant!"

As the chef lifted the fish out of the water, the cat leapt and got the fish first.
