Greetings Luke, this is your cousin Maya. I just turned 7 years old this week. I just wanted to tell you that for a while I just wasn't feeling myself. However I might know why, it's probably because some Goods (a nickname for kids that are gorillas) were being mean to me recently in school. They were calling me Num Gum because now that I am 7 my teeth are starting to get wiggly. However, all of a sudden I went inside their minds and controlled them, that's when I found out I have superpowers.
